@NOELSCOFFEE

To my grandfather Noel,
I remember our laughs and the
passionate conversations we used
to have like it was yesterday.
The fresh morning coffee brewed
by grandma, the music flowing
non stop throughout the house
and the caipirinhas made out of
the most fresh and exquisite fruits
from Brazil.
Man, we had some fun, didn't we?
Well, I have good news for you.
Life has surrounded me with
friends that live just as you did:
living life as a great time and
having fun until it's done!
We promise to keep the music as
loud as our efforts to bring back
the flavors that kept the party
going for ninety seven years!
I miss you every day and I will see
you again... but not yet...
not just yet.

Love, Leo.
